University System of Maryland

Institutional Comparison Groups

The following lists the universities submitted by USM campuses for use as peer institutions for the Advancement Dashboards. Those marked in **bold** reported data to the Voluntary Support of Education survey; these data were used to create benchmarks for each USM campus. Data from an optional section of the survey (Advancement Investment) were used to create two of the benchmarks in Advancement Operations; therefore less data were available to create benchmarks, as noted in the report.
