

**TOPIC:** Construction of Academic Facilities and Return on Investment

**COMMITTEE:** Finance

**DATE OF COMMITTEE MEETING:** October 9, 2014

**SUMMARY:** As a follow-up to the Capital Workshop, a brief discussion regarding the subject of return on investment as it relates to the expenditure of capital funds for new and renovated facilities. Understanding the value to the institution that is added by capital investment in academic facilities is important, both before funding and as a post-occupancy.
