#### **BOARD OF REGENTS**

# SUMMARY OF ITEM FOR ACTION, INFORMATION OR DISCUSSION

**TOPIC**: University System of Maryland: Self-Support Charges and Fees for FY 2015

**COMMITTEE**: Finance Committee

DATE OF COMMITTEE MEETING: March 27, 2014

**SUMMARY**: The procedure for approving student-related tuition, fees, and charges is a two part process. This item involves the approval of the non-mandatory auxiliary enterprise charges.

Proposed increases in the typical annual dormitory charge are listed below:

\$6,153 to \$6,424	4.4%	University of Maryland, College Park
\$4,662 to \$4,849	4.0%	Bowie State University
\$6,056 to \$6,238	3.0%	Towson University
\$4,756 to \$4,994	5.0%	University of Maryland Eastern Shore
\$3,762 to \$3,876	3.0%	Frostburg State University
\$5,270 to \$5,534	5.0%	Coppin State University
\$5,940 to \$6,150	3.5%	Salisbury University
\$6,250 to \$6,376	2.0%	UMBC

To accommodate the variation in the beginning dates of its academic programs, University of Maryland, Baltimore charges a daily rate. The proposed daily rate for FY 2015 for a one bedroom apartment is \$36.69.

The increase in room rates is primarily related to inflationary costs, including COLA and merit increases. This is particularly the case at UMES and Coppin. In addition, UMES had a two-part plan to convert its efficiencies from two beds per room to one bed per room. FY 2015 is the second year of this plan. The proposed rates are still at market prices. The percent increases for board range from an increase of 1.7% at UMBC to an increase of 5.0% at Coppin. The latter increase reflects the addition of flex dollars to the meal plans that will allow students to buy more retail food and convenience items on the campus.

**ALTERNATIVE(S)**: The expenditures for each self-supported activity are based on the revenue produced from the schedule. A decrease in the charge structure would require a corresponding decrease in planned expenditures.

<u>FISCAL IMPACT</u>: The proposed charges and fees are determined to be the amount required to produce the revenue for the individual activities to operate on a viable fiscal basis without accumulating a deficit or postponing required expenditures to a future year.

<u>CHANCELLOR'S RECOMMENDATION</u>: That the Board of Regents approve the proposed self-support charges and fees for FY 2015 as set forth in the attachment.

# University System of Maryland Student Involvement in Fee Process FY 2015 Self Support Fees

#### **University of Maryland, College Park**

#### 1. Room Rates

The Director of Resident Life met with the Resident Life Advisory Team (ReLATe) on February 4, 2014 to discuss the budget development process and format, and to review the FY 15 Non-Mandatory Fee Proposals. The Directors of Resident Life and Residential Facilities presented the proposed FY 15 budget to the 54-member Residence Hall Association (RHA) Senate on February 11, 2014, and responded to any questions or concerns that were raised during the meeting. The membership of the RHA Senate can be found at <a href="http://marylandrha.umd.edu/RHA/Senate.aspx">http://marylandrha.umd.edu/RHA/Senate.aspx</a>

The two advisory groups, ReLATe and ReFAB, developed a resolution for RHA regarding the proposed fee increase. The RHA Senate then votes on whether they endorse the fee request. Adjustments to the fees can be made at any time during the process.

#### 2. Board Rates

The first step of the budget vetting process begins with the Dining Services Advisory Board (DSAB). DSAB is the Resident Hall Association's (RHA) standing committee on dining issues. During one of the regularly scheduled fall semester meetings, observations about general market conditions were shared by Dining Services and there was a review of the general trends in revenue and expenses for the department. During this meeting, Dining Services shared its preliminary estimate of the expected increase in the board rate.

The second step of the budget vetting process occurred when the Director of Dining Services presented the proposed budget to the 54-member RHA Senate and responded to the questions and concerns raised. The membership of the Senate can be found at <a href="http://marylandrha.umd.edu/RHA/Senate.aspx">http://marylandrha.umd.edu/RHA/Senate.aspx</a>

The third and final step in the process is for the Director to meet with DSAB again in the spring semester to answer any additional questions about the proposal. The advisory board then develops a resolution for RHA regarding the fee increase and the RHA Senate then votes on whether they endorse the fee request or not. Adjustments to the fees can be made at any time during this process.

## 3. Parking Fees

The first step of the budget vetting process is an ad hoc student leadership information session in order for DOTS and the student leaders to begin a dialog of concerns and issues related to the DOTS budget. These student leaders include members of the Student Government Association, Graduate Student Government and the Residence Hall Association.

The next step is to bring a draft of the proposed budget to the Campus Transportation Advisory Committee (CTAC). This is a Campus Senate appointed committee with representation from all members of the campus community. CTAC reviews the budget and ultimately makes their final recommendations to DOTS and the Vice President for Student Affairs.

#### **Bowie State University**

#### 1. Room, Board, and Parking

The proposed fees were shared and discussed at a meeting held on December 12, 2013 with University Council, a shared-governance advisory board to the President. This group is comprised of membership from students, faculty and staff. The student leaders included on the University Council are the presidents and vice presidents of the Student Government Association (SGA) and the Graduate Student Association (GSA). The University Council considered the input from each of the shared-governance groups and submitted any revisions to the proposed fees to the President, who made the final decision on the fee proposal that was submitted to USM for BOR approval

### **Towson University**

#### 1. Room, Board, and Parking

The Assistant Vice President for Student Affairs met with the Undergraduate Residence Government (URG) to discuss the proposed room rates and the reasons for the increases. The Vice President for Student Affairs and the Vice President for Administration and Finance met with the Student Government Association (SGA) leadership to discuss the

# University System of Maryland Student Involvement in Fee Process FY 2015 Self Support Fees

board and parking charges and present the justification for the increases for each area. The students asked questions and were satisfied with the reasons for the increases. The room rates were also presented to the SGA leadership.

## **University of Maryland Eastern Shore**

1. Room, Board, and Parking

A meeting was held with the Vice President for Administrative Affairs, the Vice President for Student Affairs and Enrollment Management and the Student Government Association (SGA) President to discuss the proposed room and board charges for FY 2015. Each line item was reviewed and everyone is in full agreement with the recommended fee structure.

#### **Frostburg State University**

1. Room, Board, and Parking

The Vice President for Administration & Finance and the Associate Budget Director met with representatives from FSU's Student Government Association in March 2014 to discuss the room & board rates for FY2015. Students were informed of the justifications for the increases (increased personnel costs due to health adjustments, cola, merit and fringes, increased utilities and food service vendor costs).

# **Coppin State University**

1. Room, Board, and Parking

The Auxiliary Enterprise Director presented the room and board increases to the CSU Student Government Association at its February 21, 2014 meeting. The SGA expressed their understanding that increases are sometimes necessary and shared their housing concerns with the Director. The board increase is per the campus' contract with Aramark. Students can choose to upgrade from the Bronze plan which is the base plan. The room increase is to permit the campus to continue to provide the students quality housing. The students have a number of concerns in housing (heating and air conditioning, elevators, etc.) that need to be addressed and the increase will add to the resources CSU has to address these concerns. The increase in the student parking permit fee is necessary to cover the expenses in the parking office.

#### **Salisbury University**

1. Self Support Fees

Although the changes in meal plans implemented in FY 2014 and the expected increase in costs have been discussed in Food Committee meetings during the fall and spring semesters, the proposed increases to meal plans and board rates have not yet been fully vetted with student groups. The Chief Budget Officer annually meets with the full forum of the Student Government Association and will be meeting with them this spring. Given the inordinate number of closings this semester due to weather, the Chief Budget Officer was unable to meet with the group(s) any earlier. When meeting with the group(s) the Chief Budget Officer will show the requested increases are consistent with past discussions while also explaining the rationale for the proposed rate changes. The students will also be provided a tentative five year plan for self-support fees for open discussion. The Budget Office will provide USM an update from this meeting(s).

#### **UMBC**

1. Room and Board

The Director of Residential Life met with the Resident Student Association (RSA) on February 10, 2014 to describe projected increases to room and board rates. Over 28 students attended the meeting, including RSA officers, individual hall representatives, and other students. Students were advised as to the basis of the increases (increased personnel costs due to COLA, merit & fringes; increased debt service payments; increased utilities; increased vendor costs). The RSA members and others attending the meeting offered comments, asked questions and provided feedback. Feedback was shared with stakeholders. Overall students did not express objections to the proposed increases. On February 18, 2014 the RSA took a vote on the proposed FY 2015 fee increases and unanimously approved the rate increase, noting the increases were fair.
