# How often do you use the required textbook in other courses vs. PSYC 101?

Other courses: 45% answered 2-3 times per *month*

PSYC 101: 64% answered 2-3 times per *week*

# What is the quality of the instructional materials in PSYC 101 compared to other courses?

100% said *the same as or better than* the quality of instructional materials in other courses

# What was the overall impression of the online format of instructional materials in other courses?

82% said they liked the online format more than traditional printed books

18% said no preference

Imagine a future course you are required to take. If two different sections of the same course are offered by the same instructor, during equally desirable time slots, but one section uses OER and the other uses a traditional textbook, which section would you prefer to enroll in?

100% said they would enroll in the section that used the OER.
