- Restored peace-of-mind, while helping undo the damage
- Ongoing guidance as often as needed

Identity thieves want your personal information. Every time you use your credit card, or discard a bank statement, you could be putting yourself at risk of identity theft. Not only can this cost you money, it can hurt your credit rating and take months or years to repair. ID Recovery is a telephone consultation service to help you recover from, and minimize the impact of, a breach of your identity.
