## **ARTICLE I.**

### **ESTABLISHMENT AND RESTATEMENT OF PLAN**

The State of Maryland established and sponsors a retirement plan pursuant to Section 403(b) of the Internal Revenue Code ("Code") and Annotated Code of Maryland Sections 30-101 *et seq.* and the regulations thereunder, effective July 1, 1975 (Ch. 556 Laws of Md. 1975), and as amended from time to time thereafter, to provide retirement benefits to the eligible employees of certain State educational institutions within the meaning of Code Section 170(b)(1)(A)(ii). The plan was, and is intended to remain, a Code Section 403(b) plan and a governmental plan within the meaning of Code Section 414(d) and Section 3(32) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The State of Maryland now desires to reduce the terms of the plan to writing in one document effective January 1, 2009, to comply with all applicable provisions of the Code and Maryland statutes, including the final regulations under Code Section 403(b). Certain capitalized terms are defined in Section 2.02 below. Except as otherwise specifically provided herein, the Maryland Optional Retirement Program Section 403(b) Plan Document (the "Plan"), as hereinafter set forth, establishes the rights and obligations of individuals who are Employees on and after such dates, as applicable, and applies to transactions under the Plan on and after such dates, as applicable. The rights and benefits, if any, of individuals who were formerly employees shall be determined in accordance with the terms and provisions of the Plan that were in effect on the date of their Severance from Employment, except as otherwise specifically provided herein or in a subsequent amendment.

The Plan is funded exclusively through the purchase of Funding Vehicles from the Vendors described in Exhibit A attached hereto, as that Exhibit may be amended from time to time. The terms and conditions of such Funding Vehicles shall be considered part of, and shall be construed as having been incorporated into, this Plan, except to the extent that there are any provisions that conflict with the Plan. To the extent that there is any conflict between the terms of such Funding Vehicles and the terms of the Plan as provided herein, the terms of the Plan shall govern except as otherwise expressly provided herein.

## **ARTICLE II.**

### **DEFINITIONS AND CONSTRUCTION**

#### **Section 2.01 Construction and Governing Law.**

(a) This Plan shall be construed, administered and enforced according to the Code and, when not inconsistent with the Code or expressly provided otherwise herein, the laws of the State of Maryland without regard to conflict of law principles.

(b) Words used herein in the masculine gender shall be construed to include the feminine gender where appropriate, and words used herein in the singular or plural shall be construed as being in the plural where appropriate.

(c) Notwithstanding any provisions of this Plan to the contrary, contributions, benefits, and service credit with respect to qualified military service will be provided in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended; effective January 1, 2009, the Heroes Earnings Assistance and Relief Act of 2008, as amended (the "HEART" Act); and Code Section 414(u). For this purpose, the State of Maryland shall make the Employer Contribution attributable to the Employee's period of qualified military service, to the extent required, no later than 90 days after the date of reemployment or when Employer Contributions are normally due for the year in which the qualified military service was performed, if later. Effective January 1, 2009, an Employee whose employment is interrupted by qualified military service or who is on a leave of absence for qualified military service and who receives a differential wage payment within the meaning of Code Section 414(u)(12)(D) from the Employer will be treated as an Employee of the Employer and the differential wage payment will be treated as Compensation and Includible Compensation.

(b) A Participant shall be entitled to a distribution of his or her Rollover Account at any time subject to the terms of the Funding Vehicle.

(c) In the event a Participant is entitled to a distribution and requests such a distribution of Accounts on the Applicable Form, the Employer employing the Participant shall certify that he or she has satisfied a condition for distribution.

**Section 9.02 Benefit Payable.** The benefit of a Participant or a Beneficiary shall be based on the value of the Participant's Account Balance as of the payment date. Benefits shall be paid under a payment option elected by the Participant or Beneficiary and available under the Funding Vehicle.

**Section 9.03 Death Benefit.** If a Participant dies before the entire distribution of his or her Account has been made, his or her remaining Account, if any, shall be distributed to his or her Beneficiary as soon as administratively feasible after the Participant's death, unless the Beneficiary elects a later payment date on the Applicable Form, subject to Section 9.04. A Beneficiary may elect to receive the deceased Participant's Account under any payment option available under the Funding Vehicle.

**Section 9.04 Required Distribution Rules.** The provisions of this Section 9.04 take precedence over any inconsistent provisions of the Plan or of any Funding Vehicle. All distributions under this Plan will be made in accordance with Code Section 401(a)(9) and the regulations thereunder, including the incidental death benefit rules under Code Section 401(a)(9)(G). For this purpose, each Individual Agreement shall comply with the minimum distribution requirements of Code Section 401(a)(9) and the regulations thereunder, regardless whether the Participant has invested with more than one Vendor. For purposes of applying the distribution rules of Code Section 401(a)(9), each Individual Agreement is treated as an individual retirement account (IRA) and distributions will be made in accordance with the provisions of Treasury Regulation Section 1.408-8, except as provided in Treasury Regulation Section 1.403(b)-6(e). Notwithstanding the preceding sentence, each Vendor shall separately comply with the minimum distribution requirements under Code Section 401(a)(9) and the regulations thereunder with respect to its Funding Vehicles under the Plan.

#### **Section 9.05 Transfer to Defined Benefit Governmental Plan.**

(a) If a Participant is also a participant in a tax-qualified defined benefit governmental plan (as defined in Code Section 414(d)) that provides for the acceptance of plan-

to-plan transfers with respect to the Participant, then the Participant may elect, subject to the terms and restrictions of the Funding Vehicle, to have any portion of the Participant's Account Balance transferred to the defined benefit governmental plan. A transfer under this Section may be made before the Participant has had a Severance from Employment.

(b) A transfer may be made under this Section only if the transfer is either for the purchase of permissive service credit (as defined in Code Section 415(n)(3)(A)) under the receiving defined benefit governmental plan or a repayment to which Code Section 415 does not apply by reason of Code Section 415(k)(3).

#### **Section 9.06 Early Distribution Penalties.**

(a) Generally, and except as described in paragraph (b), if a Participant receives any amount under a Funding Vehicle, his or her tax for the taxable year in which such amount is received is increased by an amount equal to 10% of the portion of such amount which is includable in gross income. Such amount shall be included in gross income to the extent allocable to income on the Funding Vehicle and shall not be included in gross income to the extent allocable to the investment in the Funding Vehicle as provided in Code Section 72(e)(2)(b).

(b) The penalty described in paragraph (a) generally does not apply to any distribution (i) made on or after the date on which the Participant attains age 59½, (ii) made on or after the death of the Participant, (iii) attributable to the Participant becoming disabled within the meaning of Code Section 72(m)(7), (iv) which is part of a series of substantially equal periodic payments made (not less frequently than annually) for the life or life expectancy of the Participant or the joint lives (or joint life expectancies) of such Participant and his or her designated Beneficiary, (v) made to a Participant after separation from service following the attainment of age 55, or (vi) any other circumstance permitted by the Code or the Internal Revenue Service.

(c) In the case of an amount received before the annuity starting date, such amount shall be included in gross income to the extent allocable to income on the contract and shall be excluded from gross income to the extent allocable to the investment in the contract, as provided in Code Section 72(e)(2)(B).

### ROLLOVERS FROM THIS PLAN

**Section 11.01 Rollover Distributions.** A Participant or the Beneficiary of a deceased Participant (or a Participant's spouse or former spouse who is an alternate payee under a domestic relations order, as defined in Code Section 414(p)) who is entitled to an eligible rollover distribution may elect to have any portion of an eligible rollover distribution (as defined in Code Section 402(c)(4)) from the Plan paid directly to an eligible retirement plan (as defined in Code Section 402(c)(8)(B)) specified by the Participant in a direct rollover. In the case of a distribution to a Beneficiary who at the time of the Participant's death was neither the spouse of the Participant nor the spouse or former spouse of the Participant who is an alternate payee under a domestic relations order, a direct rollover is payable only to an individual retirement Account or individual retirement annuity (IRA) that has been established on behalf of the Beneficiary as an inherited IRA (within the meaning of Code Section 408(d)(3)(C)).

**Section 11.02 Explanation of Plan Distribution and Withholding Requirements.** Each Vendor shall be separately responsible for providing, within a reasonable time period before making an initial eligible rollover distribution, an explanation to the Participant of his or her right to elect a direct rollover and the income tax withholding consequences of not electing a direct rollover.

## ARTICLE XII.

Each Employer shall have all power necessary or convenient to enable it to exercise this responsibility and authority under the Plan.

(f) accepting service of legal process for the Program.

The Administrator shall have all powers necessary or convenient to enable it to exercise its authority under the Plan Document.

**Section 12.03 Delegation by Administrator.** The Administrator may delegate to an individual, committee, or organization to carry out its fiduciary duties or other responsibilities under the Plan. Any such individual, committee or organization delegated fiduciary duties shall be a fiduciary until the Administrator revokes such delegation. A delegation of the

Administrator duties or responsibilities may be revoked without cause or advance notice. Such individual, committee, or organization shall have the same power and authority with respect to such delegated fiduciary or other responsibilities as the Administrator has under the Plan.

**Section 12.04 Advice to Administrator.** The Administrator may employ or contract with one or more persons to render advice with regard to its duties, responsibilities and authority under the Plan.

**Section 12.05 Responsibility of the Vendors.** Each Employer and the Administrator agree that each Vendor is responsible for the following:

(a) providing all information, education, and counseling services to participants with respect to (a) the importance of saving for retirement; and (b) the Funding Vehicles provided by the Vendor.

(b) maintaining all Account Balances and sending quarterly statements to participants;

(c) providing all necessary administrative services in connection with the investment of a participant's Account in a Funding Vehicle offered by the Vendor

(e) complying with the minimum distribution rules under Code Section 401(a)(9).

(f) carrying out all duties set forth in the contract between the Vendor and the Administrator.

**Section 12.06 Limitation on Recovery.** Participants and Beneficiaries may not seek recovery against the Administrator, Employers, or any employee, contractor, or agent of the Administrator or Employers, for any loss sustained by any Participant or Beneficiary due to the nonperformance of their duties, negligence, or any other misconduct of the above-named persons.

**Section 12.07 Benefit Payments.** Either the Administrator or the respective Employer, if in doubt regarding the correctness of its or a Vendor's action with respect to a benefit payment to a Participant, may direct suspension of payment until satisfied as to the correctness of the payment or the person to receive the payment. Alternatively, the Administrator or the Employer may file, in any state court of competent jurisdiction, a suit, in the form it deems appropriate, for legal determination of the benefits to be paid and the persons to receive them. The Administrator and the Employer shall comply with the final order of the court in any such suit, and the Administrator, Participants, Beneficiaries, Vendors and Employers shall be bound by such an order, insofar as it affects the benefits payable under this Plan, or the method or manner of payment.

**Section 12.08 Reliance.** If the Administrator, Employer or any other fiduciary with respect to the Plan acts in reliance on an election, consent, or revocation made pursuant to this Plan, the election, consent, or revocation shall be treated as valid for purposes of discharging the Plan from liability to the extent of payments made pursuant to such acts.

### **ARTICLE XIII.**

#### **REQUESTS FOR INFORMATION AND OTHER CLAIMS PROCEDURES**

**Section 13.01 Requests for Information Concerning Eligibility, Participation, Contributions.** Requests for information concerning eligibility, participation, Contributions, or other aspects of the operation of the Program should be directed in writing to the Employer.

**Section 13.02 Requests for Information Concerning Funding Vehicles.** Requests for information concerning the Funding Vehicles and the terms, conditions, and interpretations thereof, should be directed in writing to the Vendor. In the event the information is not provided or any issues are not resolved, these requests for information should be directed in writing to the Administrator.

**Section 13.03 Claims for Benefits.** If a Participant makes a written claim for benefits under the Plan to the Employer or Vendor, as applicable, and the written request is denied, the Employer or Vendor, as applicable, shall within a reasonable period of time provide a written denial to the Participant. It shall include the specific reasons for denial, the provisions of the Plan and/or Funding Vehicles on which the denial is based, and how to apply for a review of the denied claim. Where appropriate, it shall also include a description of any material which is needed to complete or perfect a claim and why such material is necessary. Within 60 days after the Participant receives notification of the denial, a Participant may request in writing a review of a claim denied by the Employer or Vendor, as applicable. The Participant shall receive a written decision upon such request for review of a denied claim within a reasonable period of time following receipt of the request.

### **ARTICLE XIV.**

#### **AMENDMENT AND TERMINATION**

**Section 14.01 Amendment and Termination.** While it is expected that the Program will continue indefinitely, the General Assembly of Maryland has the right to modify or terminate the Program, and the Administrator reserves the right to modify the Plan Document at any time.

**Section 14.02 Adverse Effects.** Any termination or modification of the Plan will not adversely affect the benefits accrued by Participants prior to the date of termination or modification.

**Section 14.03 Distribution upon Termination of the Plan.** The Administrator may provide that, in connection with a termination of the Plan and subject to any restrictions contained in the Individual Agreements, all Accounts will be distributed, provided that the

Administrator on the date of termination does not make contributions to an alternative section 403(b) contract that is not part of the Plan during the period beginning on the date of Plan termination and ending 12 months after the distribution of all assets from the Plan, except as permitted by the Treasury Regulations.

## **ARTICLE XV.**

### **MISCELLANEOUS**

**Section 15.01 Non-Alienation.** Participants' Accounts under the Program shall not be liable for any debt, liability, contract, engagement, or tort of the Participant or his or her Beneficiary, nor be subject to anticipation, sale, assignment, transfer, encumbrance, pledge, charge, attachment, garnishment, execution, alienation, or any other voluntary or involuntary alienation or other legal or equitable process, nor be transferable by operation of law. However, the Program will comply with any judgment, decree or order which establishes the right of another person to all or a portion of a Participant's benefit under the Program to the extent that it is a "qualified domestic relations order" under Code Section 414(p). In addition, the Administrator may direct a Vendor to pay from a Participant's or Beneficiary's Account Balance the amount that the Administrator finds is lawfully demanded under a levy issued by the Internal Revenue Service with respect to that Participant or Beneficiary or is sought to be collected by the United States Government under a judgment resulting from an unpaid tax assessment against the Participant or Beneficiary.

**Section 15.02 Limitation of Rights.** Neither the establishment nor maintenance of the Plan Document nor any amendment thereof, nor the purchase of any insurance contract, nor any act or omission under the Program or resulting from the operation of the Program shall be construed:

(a) As conferring upon any Participant, Beneficiary, or any other person any right or claim against an Employer or the Administrator, except to the extent that such right or claim shall be specifically expressed and provided in the Plan.

(b) As an agreement of, consideration for, or inducement of employment or as effecting in any manner or to any extent whatsoever the rights or obligations of an Employer or any Participant to continue or terminate the employment relationship at any time.

**Section 15.03 Federal and State Taxes.** It is intended that Contributions under this Program, plus any earnings thereunder, are excludable from gross income for federal and state income tax purposes until paid to Participants or Beneficiaries. However, neither the Administrator nor the Employer guarantee that any particular Federal or state income, payroll, or other tax consequence will occur as a result of participation in this Plan.

**Section 15.04 Erroneous Payments.** If the Employer or Vendor make any payment that, according to the terms of the Plan and the benefits provided hereunder, should not have been made, the Administrator, Employer or Vendor may recover that incorrect payment, by whatever means necessary, whether or not it was made due to the error of the Employer or

Vendor, from the person to whom it was made, or from any other appropriate party. For example, if any such incorrect payment is made directly to a Participant, the Vendor may deduct it when making any future payments directly to that Participant.

**Section 15.05 Release.** Any payment to any Participant shall, to the extent thereof, be in full satisfaction of the claim of such Participant being paid thereby and the Administrator, Employer or its designee, may condition such payment on the Participant delivering the duly executed receipt and release in such form as may be determined by the Administrator, Employer or its designee.

**Section 15.06 Liability.** Neither the Employer nor the Administrator shall incur any liability in acting upon any notice, request, signed letter, telegram, or other paper, document, or electronic transmission believed by the Employer or Administrator to be genuine, or to be executed, or sent by an authorized person.

**Section 15.07 Necessary Parties.** The Administrator and/or the Employer are the only parties necessary to any accounting, litigation, or other proceeding relating to the Program or Funding Vehicle. The settlement or judgment in any such case in which the Employer is duly served shall be binding upon all affected Participants in the Plan, their Beneficiaries, estates, and upon all persons claiming by, through, or under them.

**Section 15.08 Headings.** Any headings or subheadings in the Plan are inserted for convenience of reference only and shall be ignored in the construction of any provisions of the Plan.

**Section 15.09 Counterparts.** The Plan Document may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall be deemed one and the same document.

Signed this 23 day of December, 2008.
