

## PARCC's Implementation Support & Stakeholder Engagement

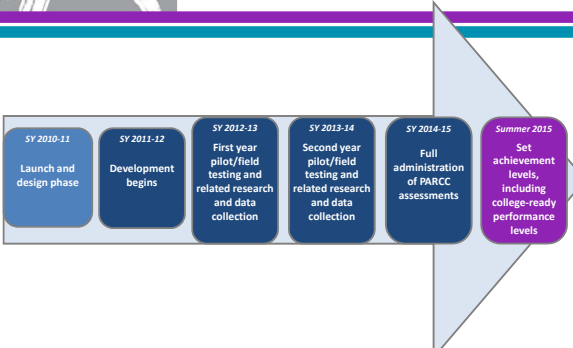

To support state efforts to **implement and transition** to the Common Core and next generation assessments, PARCC will facilitate:

- **Strategic planning and collective problem solving** for the implementation of CCSS and PARCC assessments
- Collaborative efforts to develop the highest priority **instructional and support tools**
- Multi-state support to build **leadership cadres of educators**
- Multi-state support to engage the **postsecondary community** around the design and use of the assessments

## PARCC Highlights: The Work is Underway

- Governing Board meetings where major decisions have been made around assessment design, procurement schedule, committee structure and by-laws
- Consortium-wide and in-state meetings, including first Transition & Implementation Institute, attended by 200 state and district leaders from 22 states
- Release of final by-laws, draft content frameworks and launch of PARCC website ([www.parcconline.org](http://www.parcconline.org))
- Direct engagement with over 1,000 educators, K-12 and postsecondary leaders and state and local officials

# The Partnership for Assessment of Readiness for College and Careers
