**The University System of Maryland (USM) is the state's public higher education system. Benefiting students, as well as Maryland and its citizens, USM:**

- Offers expansive access to affordable, high-quality educational opportunities.
- Performs groundbreaking research.
- Instills a culture of innovation and entrepreneurship.
- Promotes economic growth and workforce development.
- Provides vital services to communities and individuals.

The university system comprises 12 institutions, two regional higher education centers, and a system office. USM's programs and activities have a significant impact on the quality of life in Maryland, creating social and economic benefits for people throughout the state.

# USM EXCELLENCE

The University System of Maryland combines the power of its member institutions to not only provide students access to world-class resources, such as a 16-library consortium, but also ensure that those resources are used efficiently, effectively, and sustainably. By facilitating inter-institutional collaboration, USM creates a dynamic educational environment that supports a unique array of degree programs; fosters groundbreaking research, innovation, and entrepreneurship; and fuels the engine that is helping to power Maryland forward.

## Educational Opportunities

The ability of our state and nation to compete in the global economy is directly tied to the education level of our citizens. With innovative academic models, expansive partnerships, and ongoing cost containment, USM works to increase Maryland's college completion rate by providing access to hundreds of affordable undergraduate, graduate, and professional degree and certificate programs.

## Innovation

USM encourages a culture of innovation and entrepreneurship among its students, faculty, and staff. Through various initiatives we are advancing commercialization and technology transfer.

## Economic and Workforce Development

USM works to ensure continued economic development and improvement in the quality of life for Maryland citizens. USM institutions advance the state's competitiveness by addressing critical workforce shortage areas especially in the disciplines of STEM (science, technology, engineering, mathematics). At least two-thirds of the state's STEM degrees are awarded by USM institutions.

## Research

USM faculty and staff continue to advance research and discovery, attracting more than \$1.1 billion in external grants and contracts each of the last two years. USM research is advancing understanding in health care, energy, cybersecurity, and other areas.

## Service

Each year USM students, staff, and faculty contribute more than a million hours of service to the community through an assortment of cultural programs, legal and medical clinics, partnerships with public schools and the business community, and other initiatives.

## UNIVERSITY SYSTEM OF MARYLAND

- Institutions
- Regional Higher Education Centers
- System Office

\*The University System of Maryland has four multi-disciplinary centers at which USM institutions carry out collaborative research: Institute of Marine and Environmental Technology, Institute of Fluorescence, and Medical Biotechnology Center, all located in Baltimore; and the Institute for Bioscience and Biotechnology in Rockville.

The University of Maryland Center for Environmental Science has laboratories at Horn Point on the Eastern Shore, at Solomons in Southern Maryland, and in Frostburg in Western Maryland.

The University of Maryland, College Park has Technology Extension Service offices, Agricultural Experiment Station sites, University of Maryland Extension offices, and Fire and Rescue Institute facilities throughout Maryland. The University of Maryland University College has education sites throughout the state and in 23 countries and two territories worldwide.

**At Bowie State University, students will find a rich learning environment and modern, high-tech laboratories that prepare them to take on new challenges.**

## BOWIE STATE UNIVERSITY

**BOWIE STATE UNIVERSITY** provides access to affordable, high-quality educational opportunities for culturally diverse students and empowers them to find new possibilities to take charge of their futures. Recognized as one of America's Top Colleges by *Forbes* magazine, Bowie State offers 42 bachelor's and master's degree programs, two doctoral programs, and 14 graduate and advanced study certificates, with a focus on computer science, information technology, business, health and natural sciences, and education. The suburban campus is conveniently located near Washington, D.C., Baltimore, and Annapolis.

Bowie State's signature pipeline program, Education Innovation Initiative (ei<sup>2</sup>), prepares students to become leaders in technology-related careers with hands-on opportunities to tackle real-world problems for corporations and government agencies. Expert faculty foster student success with award-winning teaching methods and a passion for supportive mentoring. Bowie's dynamic learning environment helps students to explore new challenges and impact their communities as researchers on NASA missions, analysts for the Environmental Protection Agency, developers of virtual reality platforms to evaluate emergency evacuation plans, and in other diverse and important ways.

## COPPIN STATE UNIVERSITY

**COPPIN STATE UNIVERSITY**, a historically black institution, is an urban liberal arts campus anchored in northwest Baltimore. Founded in 1900, Coppin State offers 33 majors and 12 graduate degree programs with courses in nursing, business, teacher education, and science, technology, engineering, and mathematics (STEM). Coppin State provides flexible course schedules that include day, evening, weekend, and online classes.

The university prepares students to be competitive in regional and global markets through its commitment to excellence in teaching, research, and community engagement. Coppin State proudly produces analytical, socially responsible, lifelong learners.

Coppin State houses the Bishop L. Robinson Sr. Justice Institute, named after the first African-American police commissioner for Baltimore City. The center provides training, education, and research on a broad range of justice issues in law enforcement, corrections, public health, and related social factors that contribute to the prevention of crime in urban communities.

Coppin State offers educational access and diverse opportunities for Baltimore residents as well as students from around the world.

# FROSTBURG STATE UNIVERSITY

**PROVIDING STUDENTS WITH TRANSFORMATIVE EXPERIENCES** as part of their educational journey is a growing emphasis at Frostburg State University (FSU), where meaningful activities outside the classroom reinforce what is learned inside. Through strong academics and experiential education as well as personal attention and guidance, FSU helps students find their best paths upon graduation and achieve professional success.

Frostburg has been recognized by Victory Media as a Military Friendly School and by the Colleges of Distinction organization; it has also earned a place on the President's Honor Roll for Service. Its online MBA and Bachelor of Science in Nursing programs are noted as "Best Buys" by GetEducated.com. FSU has also received accolades for its emphasis on sustainability, including the Award for Institutional Excellence in Climate Leadership from Second Nature, spots on *Sierra* magazine's "Coolest Schools" list, and inclusion in *The Princeton Review's Guide to 322 Green Colleges*.

# SALISBURY UNIVERSITY

## **NATIONALLY RECOGNIZED FOR ACADEMIC EXCELLENCE,**

Salisbury University (SU) offers a creative curriculum emphasizing undergraduate research, study abroad, professional internships, and community engagement.

Located on the historic Eastern Shore, the beautiful 182-acre campus is home to more than 8,600 students from 33 states and 69 nations. All four of its schools are endowed, a rarity among public institutions. In fall 2011, the university opened Perdue Hall, a new home for SU's business school, and Sea Gull Square, a 230,000-square-foot residence-retail complex. Consistently ranked among the nation's best by *U.S. News & World Report* and *The Princeton Review*, Salisbury also is a *Kiplinger's Personal Finance* "Best Value" public college. Its competitive NCAA Division III athletic teams have earned 17 national championships.

# TOWSON UNIVERSITY

## **A LARGE INSTITUTION WITH A SMALL-CAMPUS FEEL,**

Towson University (TU) is recognized among the nation's best regional public institutions for its excellent degree programs in fields that include communications, business, health care, education, fine arts, and the sciences.

The Towson educational experience emphasizes service learning, civic engagement, and study abroad. Its interdisciplinary partnerships with public and private enterprises throughout Maryland provide students with opportunities for research, internships, and jobs.

The university is annually lauded by such prestigious publications as *U.S. News & World Report*, *The Princeton Review*, *Forbes*, and *Kiplinger's Personal Finance*, which in 2013 named TU one of 100 "best values in public colleges."

Located eight miles north of Baltimore, Towson's beautiful, 328-acre campus offers easy access to a wealth of academic and community resources. Towson also offers courses online and at off-campus locations throughout Maryland, including Harford County.

**The Towson UTeach program is the first and leading UTeach initiative in Maryland, preparing STEM majors to teach STEM subjects to students in grades 7-12 through field-intensive curricula and mentorship.**

# UNIVERSITY OF MARYLAND, BALTIMORE

**THE STATE'S ONLY HEALTH, LAW, AND HUMAN SERVICES UNIVERSITY**, the University of Maryland, Baltimore (UMB) features a unique mix of professional schools, including schools of medicine, law, dentistry, pharmacy, nursing, and social work, as well as a graduate school. Established as the College of Medicine of Maryland in 1807, the university is the founding institution of the University System of Maryland. UMB offers an interdisciplinary approach and dedication to leadership and excellence in professional and graduate education, research, public service, and patient care, and confers nearly 60 percent of all professional practice degrees in the state. A major biomedical research institution, UMB's campus features the 12-acre University of Maryland BioPark, which includes 470,000 square feet of lab and office space dedicated to translational research centers and private biotechnology companies, the state-of-the-art Maryland Forensic Medical Center, as well as the \$200 million Maryland Proton Treatment Center, which opens in 2014. The BioPark's 25 commercial tenants employ more than 550 people, and 700 students train at the facility for careers in health science and business.

***U.S. News & World Report* has for the fifth consecutive year recognized UMBC as the top university in the nation on a list of innovative schools to watch.**

## UNIVERSITY OF MARYLAND, BALTIMORE COUNTY

**THE UNIVERSITY OF MARYLAND, BALTIMORE COUNTY** (UMBC) balances a deep commitment to undergraduate education with its rapid development as a distinguished public research university. *The Princeton Review* and *Kiplinger's Personal Finance* have named UMBC a "Best Value" among public universities, and *U.S. News & World Report* has named UMBC a leader in innovation and undergraduate teaching. UMBC offers undergraduates an honors university experience with learning opportunities traditionally found at small liberal arts colleges. At the same time, UMBC is building one of the country's most inclusive graduate education communities.

UMBC's partnerships with public agencies and the corporate community, including entrepreneurial initiatives, workforce training, K-16 education, and technology commercialization, contribute to the state's economic development. More than 100 technology, bioscience, and research companies and organizations are located at the bwtech@UMBC Research and Technology Park, which is also home to Maryland's first Cyber Incubator.

# UNIVERSITY OF MARYLAND, COLLEGE PARK

**THE UNIVERSITY OF MARYLAND, COLLEGE PARK (UMCP)** is USM's flagship institution and one of the nation's preeminent public research universities, fueled by a half-billion-dollar research enterprise.

The only public research university inside the Washington, D.C. beltway, UMCP is uniquely positioned to develop strategic partnerships with national institutions that provide unparalleled opportunities for faculty and students.

A pioneer in sparking fearless ideas, UMCP recently launched the Academy for Innovation and Entrepreneurship, a signature initiative to infuse these principles across all colleges and curriculum.

As part of its culturally diverse community, UMCP provides out-of-classroom opportunities, living and learning environments, and study abroad programs to empower students to make a global impact. The faculty includes three Nobel laureates, two Pulitzer Prize winners, 49 members of the national academies, scores of Fulbright scholars, and a 2013 National Medal of Science winner, physics Professor Sylvester James Gates Jr.

Among public universities, UMCP is ranked No. 21 by *U.S. News & World Report* and No. 14 by *Forbes*, and *Kiplinger's Personal Finance* named UMCP the seventh best value in public colleges.

# REGIONAL HIGHER EDUCATION CENTERS

## UNIVERSITIES AT SHADY GROVE

**THE UNIVERSITIES AT SHADY GROVE** (USG), Maryland's largest regional center, is an innovative partnership of nine University System of Maryland universities on one campus in Montgomery County. Each university offers a selection of its most sought-after academic programs, chosen specifically to meet the needs of regional employers, and awards its own degrees. USG, in turn, provides centralized onsite student, academic, and administrative services. This integrated approach allows USG to offer easily accessible pathways to 80 upper-level undergraduate, graduate, and professional degree and certificate programs, creating outstanding career

opportunities for students while providing regional employers with a highly educated, skilled workforce. With degree and certificate programs available on a flexible full-time, part-time, evening, and weekend basis, students at USG are able to complete their education in an affordable and timely manner, close to home.

To increase access to its academic programs, USM operates two regional higher education centers: the Universities at Shady Grove (USG) in Montgomery County and the University System of Maryland at Hagerstown (USMH). The centers serve upper-level undergraduate (juniors and seniors) and graduate students.

# UNIVERSITY SYSTEM OF MARYLAND AT HAGERSTOWN

**THE UNIVERSITY SYSTEM OF MARYLAND AT HAGERSTOWN** (USMH) is a regional center that offers more than 20 programs of study from six University System of Maryland institutions. USMH has grown steadily since opening in 2005 and continues to initiate new undergraduate and graduate programs in response to area workforce demand and student interest.

These partner universities offer their premier academic programs in a convenient and accessible location, allowing students to complete their degrees in a timely and cost-effective manner.

USMH provides opportunities for local students in an educationally underserved portion of the state. With more than 1,200 graduates to date, USMH is helping to raise the college attainment rate in Western Maryland and supply a skilled workforce for employers in the region.
