## **Board of Regents Report December 7, 2012**

The Council of University System Staff met on November 13 at Bowie State University, along with representatives from the Council of University System Faculty and the USM Student Council. Along with presentations from the USM Offices of Academic Affairs and Government Relations, Rosario I. van Daalen, Human Resources Officer for the USM and Chancellor's Liaison to CUSS, discussed the origins of the three councils. The Chancellor also provided the attendees with a lively question and answer session after lunch.

Though the Council has not had a formal meeting since October, committee chairs have been working with members on the 2012-2013 goals. The Community Outreach and Recognition Committee is preparing to receive the nominees for the Board of Regents' Awards, which are due to CUSS today by 4 p.m. The Legislative Affairs committee is drafting a letter to be sent to legislators prior to the 2013 Session, thanking them for their support. The Benefits & Compensation Committee is working to update the list of discounts that are available to USM employees.

The next CUSS meeting will be December 11, 2012 at the USM Office in Adelphi, at which our committees will report on their progress towards CUSS's 2012-2013 goals.

Respectfully submitted,

Gynene V. Sullivan  
Chair
