

RESOLUTION OF THE BOARD OF REGENTS OF  
THE UNIVERSITY SYSTEM OF MARYLAND  
IN SUPPORT OF

*The Maryland Charity Campaign*

**WHEREAS**, the Maryland Charity Campaign offers University System of Maryland (USM) employees the opportunity to contribute to any of nearly 1,000 nonprofits, all of which provide critical services to our fellow Marylanders in need; and

**WHEREAS**, the theme of this year's campaign—Changing Maryland for the Better—perfectly encapsulates the ability each of us has to act in ways to make a real difference and nurture meaningful change in Maryland; and

**WHEREAS**, the University System of Maryland as a whole represents one of Maryland's largest employers, making our potential impact among the strongest in the state; and

**WHEREAS**, USM employees have a history of generosity and our participation will be critical if the state is to meet its goal of \$3.3 million in charitable giving,

**NOW, THEREFORE, BE IT RESOLVED THAT** the Board of Regents of the University System of Maryland commends the Maryland Charity Campaign and applauds the members of the USM community who support the MCC charities of their choice.
