

TOPIC: Proposed FY 2017 Contract between the University of Maryland, Baltimore and the University of Maryland Medical System Corporation

COMMITTEE: Finance

DATE OF MEETING: June 9, 2016

BRIEF EXPLANATION: Pursuant to Section 13-306 of the Education Article, each year the Board of Regents of the University System of Maryland and the Board of Directors of the University of Maryland Medical System Corporation (UMMS) are asked to approve an annual contract between University of Maryland, Baltimore (UMB) and UMMS which states all financial obligations, exchanges of services, and any other agreed relationships between them for the ensuing fiscal year.

At this time, the Board is asked to approve the Annual Contract for FY 2017 incorporating the financial information for FY 2017 reflected in the attached schedule of payments of UMMS and UMB to one another in Fiscal Years 2015, 2016 and 2017. For FY 2017, there is a net increase of \$10.4 million in UMMS compensation to UMB. The increase reflects changes in service provided to UMMS by UMB Schools. The majority of the aggregate increase relates to the School of Medicine, which has secured additional support for critical clinical faculty and for faculty who will staff new clinical initiatives.

The majority of faculty services reflected in the contract are provided at UMMS facilities at the UMB campus. The contract also includes compensation for School of Medicine faculty services at the University of Maryland Medical Center Mid-Town Campus, formerly Maryland General Hospital.

The proposed contract text will be available for review at the meeting. The contract will be reviewed and approved for form and legal sufficiency by the Office of the Attorney General before execution.

ALTERNATIVE(S): An Annual Contract incorporating the information in the attached schedule is recommended by the President of UMB, the Dean of the School of Medicine, the President of UMMS and the Chancellor. In accordance with Section 13-306, the Committee could postpone action and recommend that the Regents and Directors appoint a joint committee to review the proposed contract. This is not recommended, as UMB and UMMS have agreed upon contract terms.

FISCAL IMPACT: The fiscal impact of the Annual Contract is as specified in the attached schedule. The contract results in a net fund transfer from UMMS to UMB of \$139,236,644 in FY 2017.

CHANCELLOR'S RECOMMENDATION: That the Finance Committee recommend the Board of Regents authorize the President of UMB to execute the Annual Contract for FY 2017.
