

COUNCIL OF UNIVERSITY SYSTEM PRESIDENTS
April 5, 2017

Meeting Notes

The Council of University System Presidents met via conference call on April 5 with Chancellor Caret and USM senior staff.

Chancellor Caret, Mr. Hogan, and Mr. Vivona provided an update on the legislative session, with particular attention paid to the budget. Dr. Boughman presented revisions to the proprietary research policy for the presidents to vet through their campuses. Mr. Sadowski discussed a more robust partnership between the USM and the NSA and noted that this does not preclude the institutions' current partnerships with the NSA. Mr. Raley provided information about the Youthworks program in Baltimore City and the USM's support and funding for it.

President Boesch provided updates on how the budget of the new administration will affect R&D at USM institutions. Mr. Vivona provided a summary on enhancements to the enrollment projection process and discussed this year's projections. Mr. Sadowski gave the presidents an update about the USM's involvement with the BioHealth Innovation Partnership. Updates of the Sibson Consulting Report and the faculty, staff, and student councils were provided.
