

**TOPIC:** Policy Review Timeline

**COMMITTEE:** Organization and Compensation

**DATE OF MEETING:** September 6, 2017

**SUMMARY:** The USM BOR has bylaws and policies that provide guidance for BOR, USMO, and USM institutional operations. The bylaws address overall operations of the BOR including the charges for each standing committee. The policies provide broad policy guidance to the BOR, USMO, and the USM institutions and also cover technical and operational requirements.

To ensure that bylaws and policies are kept up-to-date, are appropriately implemented, and reflect current operational requirements, the guidance for the review of BOR bylaws and policies, as approved by the BOR in 2016, should be followed. The Committee on Organization and Compensation is charged with reviewing policies relevant to the committee's mission and those of the full BOR on a 4-year cycle.

The proposed schedule covers all such policies over a 4-year span and divides them evenly between each year of the cycle, taking care to space out those policies that will likely require significant review. Care was also taken to group like policies together.

**ALTERNATIVE(S):** A different schedule can be proposed.

**FISCAL IMPACT:** Minimal fiscal impact.

**CHANCELLOR'S RECOMMENDATION:** The Chancellor recommends approval of the proposed schedule.
