

**Trump Administration**  
**Summary of APLU & TIAA Conference Speaker Perceptions**

**Probable 5 areas of emphasis:**

- New budgets; debt ceiling; infrastructure
- Supreme Court
- Immigration
- Economy; Tax policy
- Regulation; Health care (Obamacare)

**Higher Education in General:**

- Is not likely to be a priority
- Likely to look to States to bear more responsibility
- Desires to keep tuition/college cost low
- Strategies:
  - Make it possible to refinance student loans
  - Charge lower interest of loan debt
  - Establish 15 year payout and elimination of debt/income contingent program
  - May want to get out of loan business
  - Wants endowments to be used to help achieve low tuition
- Desires to be more aggressive about free speech on campus
- Desires to reduce regulations on colleges/universities
- Year Round Pell could be in trouble
- Common Core could be in trouble
- Likes Charter Schools and school choice;

**Other Areas of possible change and concern:**

- Title IX
- Immigration
- R&D
