### **Process for Inquiries Relating to Sustainable Investing**

The USM Foundation will consider inquiries regarding sustainability issues from universities for which it manages endowment assets when these inquiries originate from an official governance entity of the university (e.g., faculty senate, student government association) or from the President's Office.

A Sustainability Sub-Committee of the USM Foundation, comprising directors representing a variety of standing committees of the board, will consider the request.

With the USM Foundation's Statement on the Endowment and ESG Factors as a guide, the Sub-Committee will consider:

1. The materiality of the holdings in question. Materiality is an assessment based on quantitative and qualitative factors. Quantitative materiality for a fund of USMF's size typically ranges from 1-3% of the overall assets under management. The Sub-Committee may decline to review a request for lack of materiality.
2. The ability to exit investing in a particular area or company without harming the portfolio. The Endowment may have exposure to certain entities or segments through index funds, passive investments that allow the Investment Team to obtain exposure to many different market segments in a cost-effective way. It is not possible to invest in an index fund *minus* undesired companies that are in the index (since the fund mirrors the index), so divestment might effectively deprive the Investment Team of a powerful tool.
3. The reputational risk of remaining in the investment. The Sub-Committee may also consider factors less tangible than the fiscal impact of divestment, such as whether the investment, if maintained, would damage the Foundation's reputation (or the reputations of its university partners).

The Sub-Committee's role is to make a recommendation to the Investment Committee, which has been delegated the authority to make investment decisions on behalf of the Foundation. Possible recommendations include:

1. No action: the Foundation will remain in the investment
2. Engagement: the Foundation will choose to stay in the investments and work with managers to exert influence on the issue
3. Divestment: the Foundation will work over time to withdraw from the investment and will not pursue future investment
4. Defer: the Foundation will take no action but maintain a watch list on the issue

After consultation with the Investment Committee, the Foundation will craft a response with a summary of its position on the issue. The response will be sent to the university president and to the group making the inquiry. All responses will include general information about the materiality of the investment in question and an assessment of the other factors considered in making the recommendation.

## **Convene to closed session**

SUMMARY OF ITEM FOR ACTION,  
INFORMATION OR DISCUSSION

---

**TOPIC:** Convening Closed Session

**COMMITTEE:** Committee on Advancement

**DATE OF MEETING:** May 8, 2025

**SUMMARY:** The Open Meetings Act permits public bodies to close their meetings to the public in special circumstances outlined in §3-305 of the Act and to carry out administrative functions exempted by §3-103 of the Act. The Committee on Advancement will now vote to reconvene in closed session. As required by law, the vote on the closing of the session will be recorded. A written statement of the reason(s) for closing the meeting, including a citation of the authority under §3-305 and a listing of the topics to be discussed, is available for public review.

It is possible that an issue could arise during a closed session that the Committee determines should be discussed in open session or added to the closed session agenda for discussion. In that event, the Committee would reconvene in open session to discuss the open session topic or to vote to reconvene in closed session to discuss the additional closed session topic.

**ALTERNATIVE(S):** No alternative is suggested.

**FISCAL IMPACT:**

**CHANCELLOR'S RECOMMENDATION:** The Chancellor recommends that the BOR vote to reconvene in closed session.
