

**UNIVERSITY SYSTEM  
*of* MARYLAND**

**Board of Regents  
Committee on Finance  
Charge, Role, and Responsibilities  
September 16, 2024**

**Charge:**

The Committee on Finance shall perform all necessary business and provide guidance to the Board to help ensure the long-term financial health and development of the University System, informed by strong fiscal and administrative policies.

**Role and Responsibilities:**

The Committee on Finance shall consider and report or recommend to the Board of Regents on matters concerning financial affairs; capital and operating budgets; facilities; student enrollment; investments; real property transactions; business entities; procurement contracts; human resources; tuition, fees, room and board charges; and the overall long-range financial planning for the University System.

Members of the Committee on Finance are appointed annually by the Chairperson of the Board. There shall be at least one member with financial expertise and experience. The Committee shall meet as needed, but no fewer than four times during the fiscal year. The members of the Committee may expect to receive information for review in order to consider, and/or act on any of the following matters:

- A. Establishment of the University System's five-year Capital Improvement Program (CIP) request prior to its submission to the Governor. The CIP is comprised of a prioritized list of academic projects (e.g., instruction, research), for which State bond or cash funding is requested.
- B. Establishment of the University System's five-year System Funded Construction Program (SFCP) prior to its implementation. The SFCP incorporates prioritized requests from institutions for auxiliary and self-support projects (e.g., residence halls, parking facilities).
- C. Authorization to issue debt to fund the capital program through the use of academic and auxiliary revenue bonds.
- D. Off-cycle construction or renovation projects that exceed expenditure thresholds established in Board policy and procedures.
- E. Facilities Master Plans are high level, strategic land-use, and physical development plans, which help direct campus construction and improvements 10-20 years into the future. They also guide campus priorities for the annual capital budget request. Typically, a campus president will give a presentation where they describe the institution's goals on a wide range of topics related to physical renewal and expansion, including: building location decisions, renovation and replacement options, utility expansion, real property acquisition, environmental concerns, and campus and community interaction.

- F. Capital projects status report which outlines the progress of all major design and construction projects underway System-wide. Data fields include, but are not limited to, overall cost, schedule, funding sources and prior approvals, as well as the name of the project architect and primary contractor.
- G. Aggregated energy and power purchase agreements; periodic reviews of progress by the System and individual institutions toward State sustainability goals pertaining to reduction of energy and greenhouse gas emissions.
- H. Acquisition and disposition of real property.
- I. Establishment of annual operating budget including state appropriation request to the Governor.
- J. Establishment of, or changes to tuition, mandatory student fees, and residential room and board rates.
- K. Student enrollment 10-year projection.
- L. Fall student enrollment attainment for each institution.
- M. The Finance Committee shall receive for information purposes, from the Committee on Intercollegiate Athletics and Student-Athlete Health and Welfare, the annual report of the finances of intercollegiate athletics for those institutions with athletics programs.
- N. Review on a regular basis certain of the System's material financial matters, including the annual audited financial statements, balance sheet management and debt strategy, review and endorsement of endowment spending rule.
- O. Reports and recommendations from the investment advisor(s) and investment manager(s) regarding the investment of the Common Trust Fund and asset performance.
- P. Establishment of business entities, public/private partnerships, and the initiatives covered under the Board's HIEDA policy.
- Q. Review dashboard metrics and monitor outcomes for organizational improvement and excellence.
- R. Establishment of, or changes to existing fiscal and administrative policies.
- S. Human resources policies for all staff employees including but not limited to recruitment, retention, administration of benefits and leave, compensation and classification, layoff, separation, and grievances. This Committee shall also consider and recommend any changes to the exempt and nonexempt staff salary structures.
- T. Consider and recommend institutional requests for Voluntary Separation Incentive Plans.
- U. Awarding of contracts and entering into cooperative agreements as specified in VIII-3.0 USM Procurement Policies and Procedures. This Committee shall approve all contracts that exceed \$5 million except contracts for capital projects, sponsored research, and real property.
- V. Pursuant to Section 13-306 of the Education Article, the annual contract, and any amendments thereto, between University of Maryland, Baltimore (UMB) and University of Maryland Medical System Corporation which states all financial obligations, exchanges of services, and any other agreed relationships between them for the ensuing fiscal year concerning the University of Maryland Medical Center. Section 13-306 requires that the annual contract be submitted to the Board of Regents, upon recommendation of the UMB president, for consideration, any modification, and approval.

W. Continue as stewards of the USM Effectiveness and Efficiency efforts including:

- Supporting USM's strategic priorities of excellence, access and affordability, innovation, increased economic impact, and responsible fiscal stewardship.
- Emphasizing collaboration and inter-institutional activities.
- Fostering innovation and entrepreneurship to promote cultural changes and new operating models.
- Promoting the optimal use of technology in support of systemwide and campus operations.
- Reviewing and discussing periodic reporting on initiatives that promote effectiveness and efficiencies in the USM operating model, increase quality, serve more students, and optimize USM resources to reduce pressure on tuition, yield savings and cost avoidance.
