SUBJECT: Wilson H. Elkins Professorship Call for Nominations – FY 2021

I am most pleased to announce that the University System of Maryland is able to make available to its institutions the Wilson H. Elkins Professorship for use in Academic Year 2020-2021 (FY 2021). The Professorship, which began in 1978 at the University of Maryland, College Park, was established to perpetuate the name and contributions of Wilson H. Elkins, a former Rhodes Scholar who led the University of Maryland to new levels of distinction as its president from 1954 to 1978. When the new University System of Maryland began in 1988, Dr. Elkins agreed that the professorship bearing his name should extend to the entire USM family. Information about the Professorship and a listing of recent Elkins Professors are available on the University System of Maryland website at https://www.usmd.edu/usm/academicaffairs/elkins.html.

Income from the endowment for the Elkins Professorship is intended only to supplement an existing faculty line. The Professorship may be used to recruit an outstanding individual to an institution to fill a vacancy or to provide special recognition and support to retain a current outstanding member of the faculty. Appointments to the Elkins Professorship are ordinarily made for a one-year period; departments may apply for renewal of an existing Elkins Professorship during the normal application cycle. Institutions that use the Professorship to provide a salary supplement should understand that continued salary supplement after the Professorship period becomes the responsibility of the individual institution.

In your letter applying for the Professorship, please indicate the specific department or program that is proposing a Professorship. Special effort will be made to bestow the award in those areas...
where the Elkins Professor will have an opportunity to make an important contribution to the teaching, research, and public service mission of the institution and the entire University System of Maryland. Direct involvement with undergraduate and/or graduate students and outreach to other institutions within the System are hallmarks of the Elkins Professors. The Professorship should not be viewed as a reward for maintenance of the status quo but as an opportunity for the institution to build on its strengths to be of greater service to its students and to society.

If your application pertains to a current faculty member, please provide a brief curriculum vitae as well as a short narrative description of how this individual exemplifies the excellence an endowed professorship signifies. If your intent is to use the Professorship to recruit an outstanding scholar to your institution, please indicate the names of individuals who might be considered for the proposed appointment. Identifying possible candidates in no way implies any obligation to make the final selection from those listed. Finally, your letter should indicate how the income from the Elkins endowment would be used (i.e., a budget listing the amount of proposed salary supplement, support of a graduate assistant, travel, publication, lab materials, distinguished lecture series, etc.) and the proposed time period. You should base your proposed budget on a maximum annual award of $80,000. However, the amount of spendable income the endowment generates will determine how many awards and the amount(s) of the awards we can offer for FY 2021.

Please submit your application and supporting materials to Zakiya Lee (zlee@usmd.edu; 301-445-1991) by Friday, April 17, 2020. I look forward to announcing the next Wilson H. Elkins Professors.
