Retirement Programs

STATE RETIREMENT AND PENSION SYSTEM (SRPS) OR OPTIONAL RETIREMENT PROGRAM (ORP)

Exempt employees are required to enroll either in the Pension Plan benefit through the Maryland State Retirement and Pension System or the ORP through Fidelity or TIAA. The Pension Plan is a defined benefit pension plan that currently requires participants to contribute 7% of their salary to the plan; the pension plan has a 10-year vesting requirement. The ORP is a defined contribution plan that requires no contribution from participants. The employer contributes a percentage of the employee’s salary, in accordance with Maryland law. The ORP has no vesting requirement and is portable. See Choosing a Retirement Program for a comparison of the Pension Plan and the ORP.

SUPPLEMENTAL RETIREMENT PLANS

403(b), 403(b) ROTH, 457(b), 457(b) ROTH, 401(k), and 401(k) ROTH retirement options are available through voluntary employee contributions up to Internal Revenue Code limitations. Current vendors are Fidelity, TIAA, and MSRP-Nationwide.
