*BSU is bound by the current food services contract to increase the amount paid to the contractor by 6% for FY2013. In addition the plans were changed to include additional flex dollars that will allow students to buy more retail food and convenience items on campus. Additional changes include having the dining hall open longer hours, additional late night offerings, a new franchised venue and more menu offerings, all better to meet students needs.

**New plans in FY 2013
